

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 1105

IN THE MATTER OF:

Application by D. C. Transit)
System, Inc. for Authority)
to Extend its Routes O-8 and)
Q-8)

Served November 30, 1970

Application No. 660

By Application No. 660, D. C. Transit System, Inc. (Transit) seeks authority to amend its Certificate of Public Convenience and Necessity No. 5 to extend Routes O-8 and Q-8 as follows:

From junction Old Georgetown Road and Democracy Boulevard over Democracy Boulevard to junction Westlake Drive, thence over Westlake Drive to junction Montgomery Mall Shopping Center, thence over roadways within Montgomery Mall Shopping Center to stores and return over Westlake Drive to junction Democracy Boulevard, thence over Democracy Boulevard to junction Fernwood Road, thence over Fernwood Road to junction Rock Springs Drive, thence over Rock Springs Drive to junction next roadway on right (un-named), thence over un-named roadway to junction Democracy Boulevard, thence over Democracy Boulevard to junction Old Georgetown Road.

The amendment would enable Transit to serve a new office building on Fernwood Road, Bethesda, Maryland. Approximately 800 persons will be employed at that facility, which will open on November 30, 1970.

Transit proposes to divert one O-8 and one Q-8 trip in each rush hour to the new building to coincide with the work day there. This short extension will neither require additional equipment

nor substantially alter existing schedules, as excess layover time can be utilized. This extension will provide public bus service to a new employment area which will benefit both employer and employees.

THEREFORE, IT IS ORDERED:

1. That Application No. 660 be, and it is hereby, granted effective this date.

2. That Certificate of Public Convenience and Necessity No. 5 be, and it is hereby, amended by incorporating sixth revised page 2 cancelling fifth revised page 2 as attached hereto and made a part hereof.
